

RING TOSS

GAME RULES

How to play

Ring toss is played by 2 to 8 players.

The game consists of a base plate with 5 stakes and 5 rings made of rope.

The player whose turn it is must stand 2 meters from the stakes.

One at a time, take turns throwing the 5 rings at the stakes.

The aim of the game is to get as many rings around the stakes as possible.

The game consists of 5 rounds where each player gets a turn to throw all 5 rings.

Scoring

The centre stake counts 3 points, while the 4 outer stakes counts 1 point each.

The player with the highest cumulative score after 5 rounds win.
